

## SketchUp tečajevi

Datum izrade: 06.07.2026.

Course Name	Quantity	Price	Type	Description
Online courses on SketchUp, V-Ray, Twinmotion and Enscape	1	99,00 €	Subscription (1 year)	<ol style="list-style-type: none"> <li>1. Exterior Visualization with Twinmotion for SketchUp users</li> <li>2. SketchUp for Interior Design: Online Course</li> <li>3. Creating realistic interiors with Enscape (online course for SketchUp users)</li> <li>4. Architectural Workflow with SketchUp, V-Ray &amp; Twinmotion</li> <li>5. Online Course: SketchUp Layout</li> <li>6. 3D Modeling in Architecture with SketchUp</li> <li>7. Interior Design with SketchUp, Enscape and Twinmotion</li> <li>8. 3D Modeling with SketchUp for Exterior &amp; Interior Architecture</li> <li>9. Bring your interiors to life with V-Ray (for SketchUp Users)</li> <li>10. Learn SketchUp Pro</li> <li>11. Visualization Success with V-Ray for SketchUp</li> <li>12. The SketchUp Pro Subscription Ecosystem</li> <li>13. 3D Modeling of a Kitchen with SketchUp</li> <li>14. Bathroom Design Demonstration - SketchUp &amp; Twinmotion</li> <li>15. Introduction to Twinmotion</li> <li>16. SketchUp for Beginners</li> </ol>
Aechitectural Workflow with SketchUp (Modeling with SketchUp, Rendering with V-RAY and TWINMOTION)	1	199,00 €	Perpetual	English - 50 lessons In this online course, you'll learn how to use SketchUp Pro for 3D modeling of a full-scale exterior and interior project.
2D Architectural Drawings with SketchUp LayOUT	1	49,00 €	Perpetual	English - 5 lessons.
3D Modelling in Architecture with SketchUp	1	95,00 €	Perpetual	English - 9 lessons This course is the ultimate source of knowledge for architects who are just starting with SketchUp as a 3D modeling platform. It has been designed by an experienced practitioner who has covered all the major use cases of SketchUp within an architectural practice.
Learn SketchUp Pro	1	59,00 €	Perpetual	English - 11 lessons With more than 41 million professionals and hobbyists, SketchUp is the most widely used 3D modelling tool in the world. Get this short crash course and learn the fundamentals of SketchUp Pro.
Interior Design with SketchUp, Enscape & Twinmotion	1	199,00 €	Perpetual	English - 38 lessons.
3D Modeling of a Kitchen with SketchUp	1	17,00 €	Perpetual	English - 1 lesson Learn the basics of kitchen 3D modeling with our on-demand recorded webinar.
3D Modeling with SketchUp for Exterior & Interior Architecture	1	119,00 €	Perpetual	English - 38 lessons In this online course, you'll learn how to use SketchUp Pro for 3D modeling of a full-scale exterior and interior project.
Bathroom Design Demonstration - SketchUp & Twinmotion	1	9,99 €	Perpetual	No voice - 1 lesson Watch how our in-house architect designs a bathroom from scratch. Follow his on-screen actions and learn SketchUp and Twinmotion.
Bring your interiors to life with V-Ray (for SketchUp Users)	1	59,00 €	Perpetual	English - 9 lessons Visualize your interiors like a pro with V-Ray! V-Ray seamlessly integrates with 3D modeling software like SketchUp, 3ds Max, and Rhino, streamlining the rendering process.  V-Ray excels in producing photorealistic renderings, making it a go-to choice for achieving high-quality visualizations.
Creating realistic interiors with Enscape (online course for SketchUp users)	1	59,00 €	Perpetual	English - 9 lessons Enscape's real-time capabilities and ease of use make it a valuable tool for architects and designers looking to streamline their workflow and create compelling, interactive visualizations. Join our online course that helps SketchUp users visualize their 3D interiors in an easy and efficient way with the help of Enscape.
Exterior Visualization with Twinmotion for SketchUp users	1	49,00 €	Perpetual	English - 8 Lessons Are you looking to impress your clients with amazing photorealistic exteriors based on your SketchUp models? We've taken our most comprehensive and popular course "Architectural Workflow with SketchUp, Twinmotion and V-Ray" and we are offering the full Twinmotion module as a separate mini course.
Introduction to Twinmotion	1	69,00 €	Perpetual	English - 6 lessons.
SketchUp for Interior Design: Online Course	1	109,00 €	Perpetual	English - 23 lessons Delve into SketchUp, learn about the program interface, settings, and templates, as well as the main tools and modeling techniques. Discover how to use reference files for faster workflows and explore the creation of walls, floors, ceilings, windows, doors, stairs, and kitchen cabinets. Design dining rooms, living rooms, and hallway ceilings, including furniture, lighting, and decoration elements.
The SketchUp Pro Subscription Ecosystem	1	29,00 €	Perpetual	English - 4 lessons Join our on-demand webinar series in four parts that walks you through the SketchUp Pro ecosystem.
Visualization Success with V-Ray for SketchUp	1	99,00 €	Perpetual	English - 14 lessons A complete walkthrough of V-Ray for SketchUp and create stunning visualizations of interior and exterior models.
