GREAT DESIGNS DESERVE GREAT RENDERS

V-Ray 3 for Rhino now available

# V-Ray® 3 for Rhino is made for designers.

It's clean. It's simple. And it's now faster than ever to create great-looking renders right in Rhino.

## **V-Ray 3 is built to be the smartest and fastest renderer for Rhino.**

With new quick render presets and intuitive controls, you can focus on design, not the technical details. Its twin-engine rendering architecture can take full advantage of the latest CPU or GPU hardware. And with V-Ray's full suite of tools, you can render anything and everything — from quick design concepts to your most detailed 3D models.
